

SURVEYOR ASSISTANT

J.K.Williams Contracting, a highly regarded civil construction company (specialising in subdivision earthworks, road and drainage construction) situated in Penrith is seeking a Surveyor Assistant.

The successful candidate would be in the process of acquiring tertiary qualifications in surveying and will ideally possess the following;

- Effective planning, organising and problem solving skills
- Effective communication skills
- Demonstrated ability to work unsupervised
- Ability to work co-operatively in a small team
- Computer literacy, particularly with surveying software

Although not considered essential, some prior civil construction experience would be a distinct advantage.

An attractive remuneration package will be negotiated.

Interested applicants should forward applications to;
